U.S. PROBATION AND PRETRIAL SERVICES

Western District of Michigan

MISSION

Our mission is to assist the Court in the fair administration of justice by promoting community safety, reducing recidivism, and providing defendants and persons under supervision with a meaningful opportunity for change.

VISION

We value the worth and dignity of all persons and the right to be treated equitably, with fairness and respect. We value an inclusive environment that promotes teamwork, wellness, and professional enrichment. We provide objective and independent information to the Court to assist in the fair administration of justice and collaborate with community stakeholders to facilitate and promote meaningful change in the persons we supervise.

Through these efforts, and our commitment to evidence-based practices, we will accomplish our mission with excellence.

VALUES

Integrity. Mindfulness. Perseverance.
Accountability. Commitment. Teamwork.
